This catalogue was developed for the sole purpose of informing customers and consumers of the specifications, components and other existing accessories of AUDI brand vehicles marketed within the European Union, content that may be modified at any time and without prior notice by AUDI without incurring any liability.

In accordance with the foregoing, AUDI does not guarantee the availability of the vehicle model referred to in this catalogue with all the specifications and components indicated herein, since these may vary or be limited depending on your location.

Under no circumstance will AUDI be liable to customers, consumers and/or any third party for the non-existence, unavailability or modification of the models contained in this catalogue, being the obligation of the customer, consumer and/or any third party to verify the availability of the model prior to its acquisition depending on their location.
