

CHANGAN

Monthly EV Charging Cost – 800 km/month <i>To drive only pure electric, no gasoline.</i>			Dutch SXM	French SXM	Charging Type	Volts	Amps	Power Output	Time to Charge 20–80% (47.98 kWh)	Range Gained
Battery Capacity	31.18 kWh	Electricity Cost per kWh (May 2025)	\$ 0.34	€ 0.23	Level 1	110V	10A	1.10 kW	~17.0 hours	108 km
Full Electric Range per Charge	180 km	Full Charge Cost 0-100% - 180KM	\$ 10.61	€ 7.17	Level 1	110V	16A	1.76 kW	~10.6 hours	108 km
Energy Consumption per km	0.173 kWh/km	Monthly Charging Cost- 800KM	\$ 47.06	€ 31.83	Level 1	220V	10A	2.20 kW	~8.5 hours	108 km
Monthly Distance Driven	800 km	1000KM Combined Range (With Full Charge + Full Gas Tank)			Level 1	220V	16A	3.52 kW	~5.3 hours	108 km
Total Energy Used per Month	138.4 kWh				Level 2	220V	32A	7.04 kW	~2.7 hours	108 km

Glitter Olive Green

Mecha Gray

Jet Black

Feather White

Bordeaux Red

Diamond Silver Grey

Moonlight Gray

Magnetic Blue

LED Headlights with LED Daytime Running Lights (DRL)

12.3" Multimedia Touch Screen with Wireless Android Auto/ Apple Carplay

Multifunctional Cargo Box Tailgate

3.3kW Standard Electrical Discharge Unit

18" Alloy Wheels

HUNTER E EREV Extended Range Electric Vehicle

8 YEARS WARRANTY

HUNTER E		HYPE		LUXE	
Overall Dimensions & Weight	Overall Length (mm)	5630		5380	
	Overall Width (mm)	1930		1980	
	Overall Height (mm)	1885		1875	
	Wheelbase (mm)	3430		3180	
	Curb Weight (kg)	2360			
	Fuel Tank Capacity (L)	70		70	
	Battery Capacity and Type	31.18 Lithium Battery Iron Phosphate			
	Driving Range	180Km EV Range (CLTC)			
	Cargo Bed Load Capacity (kg)	495			
	Seats	5			
Chassis & Performance	Engine Type	2.0L			
	Drivetrain Type	PHEV - Plug in Hybrid with E-REV Functionality			
	Transmission	Electric Vehicle Single Speed Gearbox			
	Power (kW and Horsepower)	200kW or 268 HP			
	Torque (NM)	470Nm			
	Suspension	Double Wishbone Independent Front Suspension with Leaf Spring Non-Independent Rear Suspension			
	Steering Column	Height Adjustable and Tilt			
	Drive Mode Select	Drive mode and Drivetrain Function - HEV/E-Rev/Gas/Pure Electric			
	Wheels	245/70R17 Alloy Wheels		265/60R18 Alloy Wheels	
	Brakes	Four Wheel Disc Brakes			
Seats	Front Seats Material	Partial Leather Seats		Leather Seats	
	Front Seat Adjustment	6-way Manual Driver Seats & 4-way Manual Passenger		6-way Electrical Driver Seats & 4-way Electric Passenger	
Interior & Convenience	Infotainment Display	12.30" Touch Screen			
	Cameras and Sensors	Dashcam Access Interface with Reversing Image-aided and Rear Parking Sensors		360 Degrees Panoramic Image (HD) with 540 Degree HD Panoramic Parking Image and Rear Parking Sensors	
	Phone Connectivity	Wireless Android Auto & CarPlay		Wireless Android Auto & CarPlay with Wireless Charging	
	AC System	Automatic Air Conditioning		Automatic Airconditioning with Forest Air Purification System	
	Steering Wheel and Interior Type	Leather Grain Treatment of Ordinary Foam Materials		Microfiber	
	USB Setup	1 Front & 1 Rear		1 Front, 1 Rear and 1 Cargo Bed	
	Audio System	4 Speakers		8 Speakers	
	Driving Assistance	Cruise Control			
Key	Key and Start Features	Keyless Starting and Entry with Remote Control Finding&Distance Sensing Unlocking			
Exterior	Window Features	Standard Windows with One Touch Feature and Anti Clip Function			
	Trunk Controls	Standard		Multifunctional Cargo Box Tailgate	
	Cargo Bed Feature	Standard		3.3 KW Standard Electrical Discharge Unit	
	Vehicle Lighting	LED Running Lights and LED Headlights, Beam and Rear			
	Mirror Features	Power Adjustment Side Mirrors and Exterior Rear-View Mirror Integrated Turn Signal		Power Folding Side Mirrors and Exterior Rear-View Mirror Integrated Turn Signal	
Safety	Airbag System	Dual Front Airbags		Dual Front Airbags, Front Lateral Airbags and Safety Air Curtain (Front & Rear)	
	Child Safety	Electronic Child Lock and Child Safety Seat Interface			
	Hype Standard Equipment	Tire Pressure Monitoring (TPMS) - Alerts you to low tire pressure, enhancing safety and fuel efficiency			
		Anti-Lock Braking System (ABS) - Prevents wheel lock-up during hard braking, improving control			
		Electronic Brakeforce Distribution (EBD) - Adjusts brake force per wheel for better stability and braking power			
		Electronic Stability Control (ESC) - Automatically detects and reduces skidding by selectively applying brakes, ultimately reducing the risk of accidents			
		Traction Control System (TCS) - Prevents wheel spin during acceleration, improving traction on slippery surfaces			
		Lateral Stability Control (AYC) - Reduces sideways skids by applying brakes and adjusting power, keeping the car stable sharp turns and slippery conditions			
		Brake Assist (BA) - Detects emergency braking and instantly maximizes brake pressure, reducing stopping distance during panic stops			
		Hill-Start Assist (HHC) with Auto Hold - Prevents rollback on inclines, making uphill starts easier and safer			
		Hill Descent Control (HDC) - Controls speed when descending steep slopes, improving safety			
		Engine with Electronic Anti-Theft - Deters theft by preventing unauthorized engine start-up by turning off ignition until the correct key or chip is found			
		TSC Trailer Sway Control - Using sensors to detect any excessive swaying trailer, applying brakes and reducing engine power to avoid dangerous fishtailing			
	Luxe Additional Features	Lane Departure Warning (LDW) - Warns you when you unintentionally drift out of your lane			
		AC Automatic Defogging Feature - Automatically detects windshield fogging and adjusts temperature to clear mist instantly, often in humid conditions to prevent sight hindrance			
Electronically Controlled Front Axle Differential Lock - Electronically engages the front differential lock to force both front wheels to rotate equally, maximizing traction in off-road or low-grip conditions					

Drive Operation	Fuel Consumption (L/100 km)	Fuel Efficiency (km/L)
Gas Only	7.99	12.66
With Charging & Gas	1.3	76.92
